MY SWOT ANALYSIS OF MYSELF

STRENGTHS

- work better under deadlines
- patient, calm
- good in public speaking only if it is my topic/i have the information
- i can be consistent to work
- good skill in football/badminton

OPPORTUNITIES

- Make my business/ work in IOT integrated with cybersecurity
- Increasing my network
- Grow in IOT/cybersecurity
- Expanding knowledge
- Emerging event

WEAKNESSES

- worst leadership skills
- worst communication skill with people
- procrastinate
- i never do work, what i think
- where less skills in tech

THREATS

- Regretting decisions
- Decisions without thinking
- Get attached with unwanted things/people
- Overcommitment: Balancing academics, multiple interests, might lead to burnout.
- To lose my parents

THANKYOU
